

eScore Home Efficiency Program

Upgrade Rebate Schedule

Weakley County Municipal Electric System

For single family WCMES customers to qualify for rebates register at www.2escore.com. Each measure of improvement must be installed by an eScore QCN contractor. After completion, a site visit will be performed by our qualified inspector.

Financing is available for electric heat pumps with no money down and low interest rate. Customers pay monthly on their electric bill.

Retrofit Upgrade	Maximum Rebates	Limits
Conventional Electric Water Heater <ul style="list-style-type: none"> Primary heat source from non-electric to electric 	\$500 per system	No limit
Air Source Heat Pump primary <ul style="list-style-type: none"> Primary heat source from non-electric to electric New non-replacement system 	\$1,000 per system	No limit
